

## Bauanleitung / Building instructions

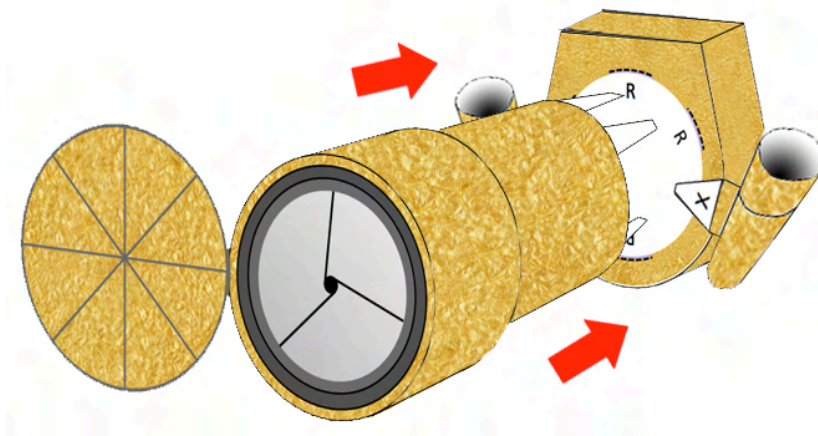

Zu Beginn drucken Sie den Bogen aus, schneiden die Grundkomponenten aus und kleben Sie sie zusammen.

First print the model then cut all the parts and glue each component together.

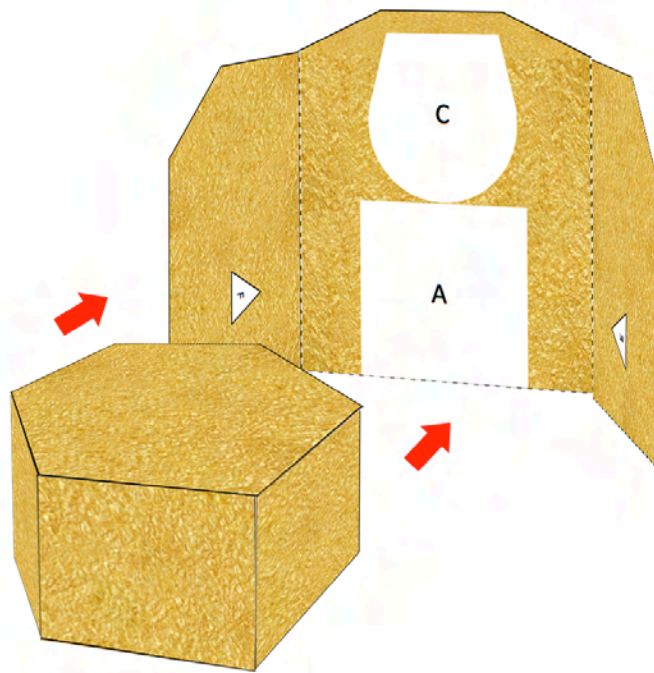

### 1. Schritt / Step 1

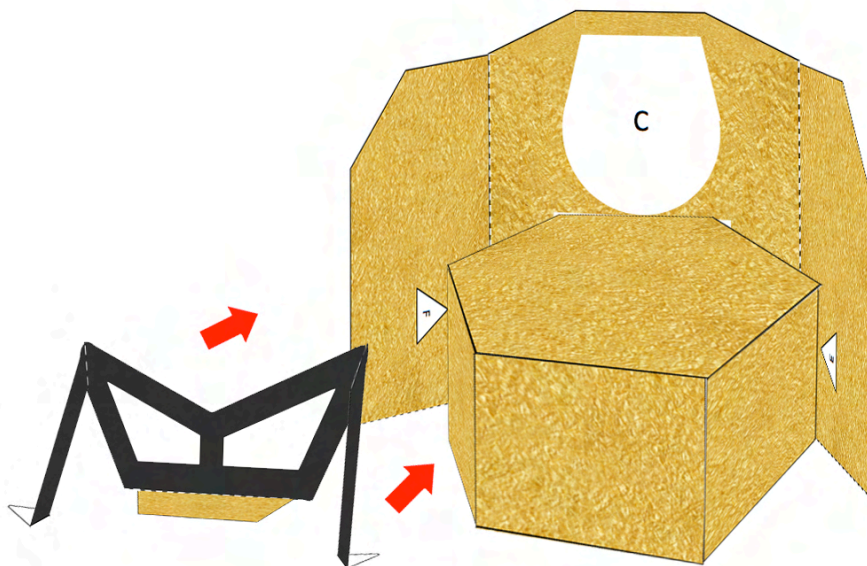

### 2. Schritt / Step 2

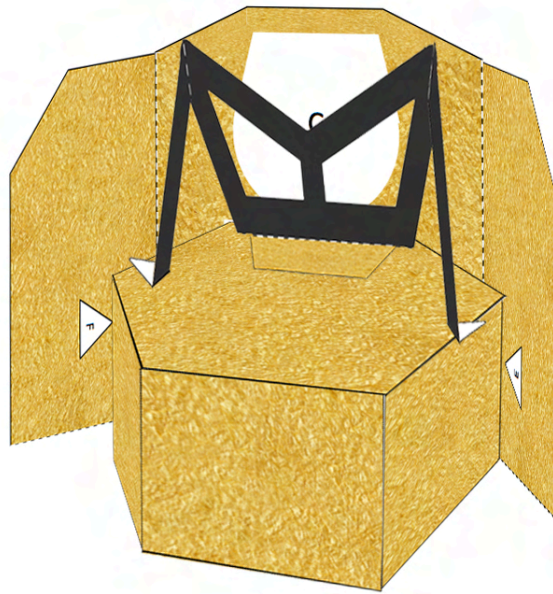

3. Schritt / Step 3

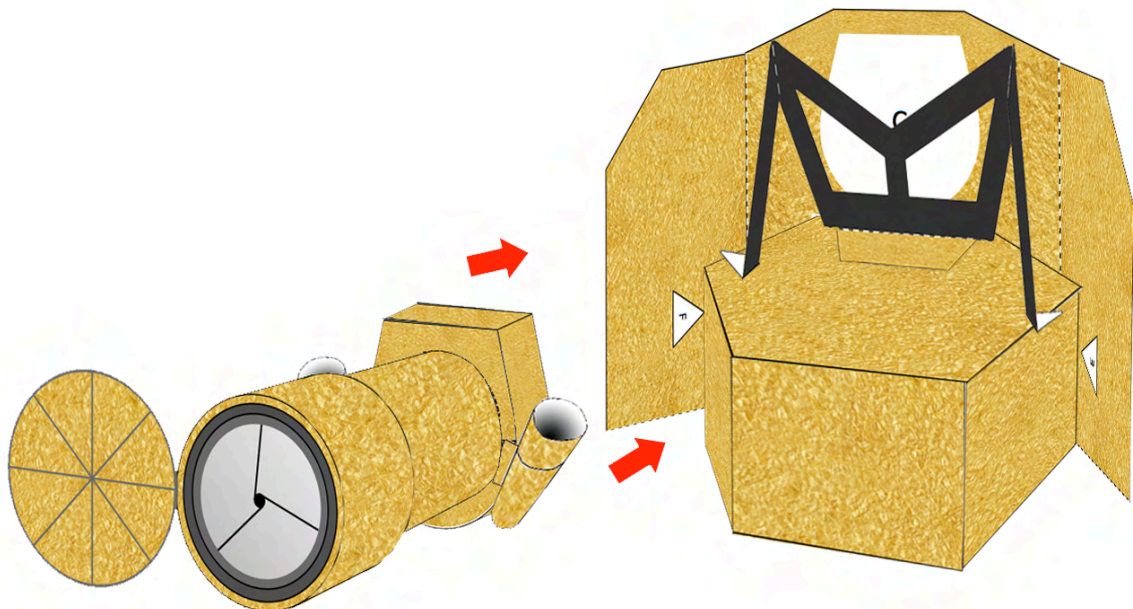

4. Schritt / Step 4

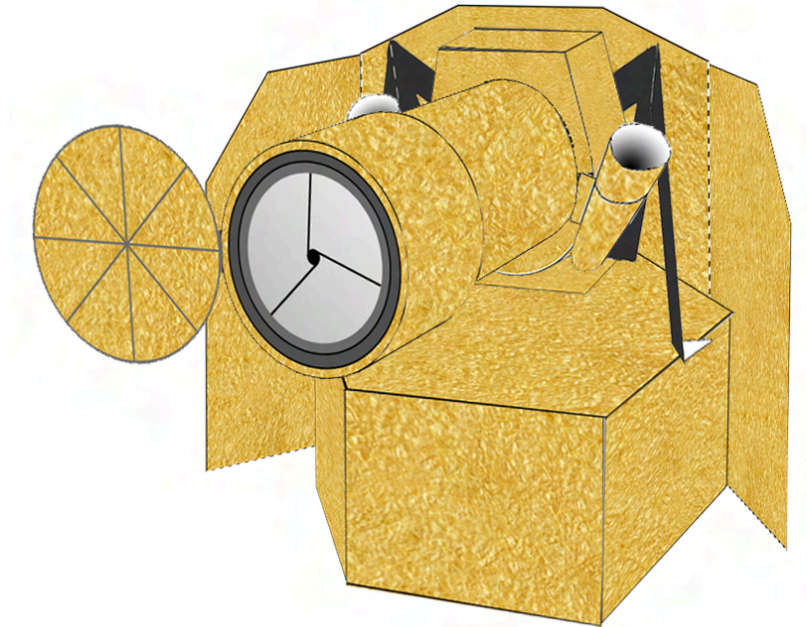

5. Schritt / Step 5

6. Schritt / Step 6

7. Schritt / Step 7

Ihr CHEOPS-Modell ist fertig.
